

Dear Friends,

HAPPY EASTER!

*I wonder if you think of Easter as just one day?
A day when a huge amount of chocolate is consumed -
often moulded into egg or rabbit shapes...for some there
is the excitement of Easter egg hunts, although they have
been in the shops for months!*

*Really the season of Easter lasts for 40 days and it commemorates the period
when Jesus showed His followers that He really and truly had defeated death
and was alive.*

Do you believe that Jesus is alive now?

Do you believe that He wants you to be fully alive now?

*I wonder if you have ever sat and watched a daffodil bud unfold? I think it is a
picture of an explosion of life.*

As you read this prayer card may you experience the God of life at work in you.

Happy Easter!

With love from us all at Caraway
