

*Dear Friends,*

*Here we are once again in September, traditionally a month of new beginnings and fresh starts! Did you ever trek round the shops for a new pair of school shoes, either for yourself or a family member, or notice that the sun suddenly seems to set that bit earlier and tv programmes have bedded in for the autumn schedule?!*

*The month of September can act as a great reminder that our God is the God of new starts and surprises, whose mercies are new every morning and yet who remains unchanging amidst all the changing seasons of life.*

*With love & blessings from the Caraway Team*
